## our commitment to you

We are committed to providing you with a high quality and cost-effective foreign exchange service and we pride ourselves on the high standard of service we offer. However, we also know that occasionally we don't get it right. We welcome feedback on all aspects of our service - please see reverse for details.

When an issue does occur, we want to resolve it as quickly as possible, so it is often best resolved at your local branch. Please give our Sales Advisors the opportunity to listen to your concerns so they can put things right for you quickly and with no fuss.

When we provide a service for a third party such as Western Union or Multi-Currency Cash Passport, it may be appropriate that they handle your complaint. In these circumstances, we will continue to support you until a satisfactory resolution is met.

## not completely satisfied?

If you are not satisfied with our response to your concerns locally, please contact our Customer Services Department by using the form on this leaflet and handing it in to your local branch. Alternatively you can give us your feedback via our website, by email, by telephone or if it's more convenient, simply request a call back by passing your contact details to a Sales Advisor at your local branch.

We will do our very best to resolve your concerns immediately. However, where we cannot resolve matters straightaway, we'll make sure you have the name and contact details of the person dealing with your complaint.

In the unlikely event we are unable to resolve your complaint within 15 business days we will write to advise you of the current status of your complaint. We are committed to resolving all complaints within 35 business days from the date you first contacted us.

By this stage we hope that we have been able to resolve your complaint to your satisfaction.

However, if you're still not satisfied with our resolution, please let us know and give us the opportunity to review your complaint further as there may be something we have overlooked.
